June Report Card: Tani, Fiire, Sinu

Tani June Report Card

Dictionary, List Comprehension, Loops

Achieved Material:

- **Python Dictionary**
- **Python List comprehension**
- **For loop for list Comprehension**

Material Next:

- **File handling**
- **Error handling**
- **JSON file**

Overall:

Tani is not only dedicated and proactive in her approach to the class, but she also excels in the project with her creativity. She effectively duplicates solutions to various problems, showcasing her versatility and ingenuity.

Fiire June Report Card

Turtle Race: Interactive Game using Turtle module

Achieved Material:

- **Turtle Module**
- **angle and direction in turtle module**
- **onkeypress function**
- **random module**

Material Next:

- **fidget spinner**
- **snake in turtle**

Overall:

Fiire possesses a strong grasp of coding in Python and is capable of resolving the issue effectively.

Sinu June Report Card

WEB DEV

margin, padding, flex box

Achieved Material:

- web layout
- div and section
- flex box

Material Next:

- making header
- menu
- main article

Overall:

Sinu has made a remarkable contribution by reading and manipulating code. She has even developed her own concept for the project and is actively executing it.
